## **9. Resolution to Amend Financial Regulations**

The following resolution was referred to G&GP by full Council:

**PROPOSE** that in line with the December 2014 amendment to the definitive accounting document for community councils, 'Governance and accountability for local councils in Wales – A Practitioners' Guide (2011)' the following passage from that Guide is added at the appropriate place within MCC's Financial Regulations:

"At the same time that the budget is set, members will also approve any delegation of responsibility for spending amounts set out in the budget. For example, the budget might include amounts for paying a grant to the local youth club. The RFO may then be authorised to pay the grant without having to make further reference to the council. In the case of member training, the Council might usefully approve an annual training budget with the Clerk/RFO having the authority to make training bookings without further recourse to the Council subject to the budget sum not being exceeded."
